

YUST

Welcome to YUST Food.

Sharing is what we do and love.

Discover a wide range of flavours when choosing one of our menus or pick out your favourite dishes from the à la carte list.

Sustainability and organic produce are at the heart of everything we do. Our menu consists only of fresh ingredients, adapts with the seasons and is inspired by every corner of the culinary world.

*To give you a taste of local talent and culture, with **YUST Art** we give an artist free space to show their work for two months.*

The art hanging in the restaurant is therefore for sale, ask us for more info about the current exhibition.
