

Copyright and related rights

Diagram

Compensation via copyright and related rights? This diagram gives you a quick overview of the most important aspects.

Please note! First check our [agreement on intellectual property rights](#).

For what kind of work	License or transfer of copyrights or related rights.
Payment of social security contributions	None, unless according to some, they are paid under an employment contract.
Accrual of social security rights	Not applicable
Impact on unemployment	<ul style="list-style-type: none"> ✓ Copyrights received on the basis of a creation before unemployment should not be indicated. ✓ Days when the artist is also publicly present, for example to sell or promote his or her work that potentially has copyrights or from which other income may arise. ✓ Otherwise, not to be indicated on unemployment card, insofar as the artist does not exceed the limit of 4,000 euros net and remains available on the job market
Tax aspect	Favourable regime
Budget	In addition to the amount paid to the artist, the 15% must be paid directly to the tax authorities.
